May 1, 6:30 pm for freshmen parents, FRHS Roundhouse

What does the Booster Club do?

The FRHS Football Boosters are parent volunteers who raise money for the team through generous corporate sponsorships and individual donations. Funds are used to provide athletic and leadership training for varsity, junior varsity and freshman teams.

Why are funds needed for the football team?

Taxpayer funding goes to Poudre School district to operate Fossil Ridge High School. The school does not receive the funding needed to operate sports teams. The FRHS Football Boosters rely on corporate sponsorships, parent contributions, fundraisers, spirit wear and program ads to fund the football program. These funds pay for many critical items including nutrition (away game meals and summer nutrition), training for players and coaches, the Summer Pride program, scholarships, summer officials and coaches, and equipment.

How can I get involved and receive updates?

Incoming freshmen parents must complete the New Player Profile on the website to start receiving important updates and information!
