FOSSIL RIDGE FOOTBALL

Join us in supporting the Fossil Ridge Football team

Your **sponsorship can make** a real difference in the lives of young athletes and help foster teamwork, discipline, and community pride.

Corporate sponsorships are vital to the success of the Fossil Ridge High School football team. Securing corporate sponsorship for the Fossil Ridge football team presents a valuable opportunity for local businesses to engage with the community while supporting the growth and development of student-athletes. While school district budgets provide for academics, and our player families contribute a significant portion of our budget, we rely on the Fossil Ridge community to fill in the gap. This support allows the Booster Club to provide many of the necessities to operate a quality football program.

Your sponsorship not only promotes a positive public image and allows your company to be seen by thousands of individuals throughout the season, but also contributes directly to providing essential resources, equipment, and opportunities that ensure our team's success both on and off the field. Together, we can build a winning future for our athletes and our community.

Your business will be widely recognized throughout our community! Your organization builds goodwill within the community—supporting athletes and future community members in leadership and physical development. Supporting businesses are seen by thousands of people throughout the season in a variety of media. Donations are tax deductible! By partnering with us, your brand will gain visibility among a loyal, diverse audience of students, families, and community members through game-related signage, social media exposure, and event participation. Sponsorships run for one football season. We kindly ask that payment be made at the time you confirm your sponsorship.
